**Tax Installment  
Payment Plan  
for Owners of  
Real Estate.**

The Trumbull County Treasurer's Office  
has created the Tax Installment  
Payment (T.I.P.) Plan to help taxpayers  
who find our semi-annual method of  
paying taxes, burdensome.

Here's how T.I.P. works:

- Payment can be made at any time  
over a six month period;
- Payment can be made for any  
amount;
- There are no service charges;
- Never worry about missing the  
payment deadline;
- Never be caught short of funds to  
pay your real estate tax.

**This plan is strictly optional. If  
you would like more information,  
please complete the attached  
form and mail to:**
